ustwo™ is seeking an iPhone developer for the London studio!

ustwo™, the studio of dreams, is a digital design studio based in London and Malmö. We make beautiful, user-friendly interfaces and user experiences for mobile, product the web and more. With a family of talented individuals we offer our cliends™ (clients and friends) the very best in interface design and production to help make products smile!

See more about ustwo™ at www.ustwo.co.uk and <http://iphone.ustwo.co.uk/>

- In-house only, if you aren't able to be London based please don't apply
- We want to be the best... and only want to recruit the best...

The Role

We're looking for an iPhone developer for our London studio. You'll easily fit into a team of highly experienced and skilled developers, adept at applying their expertise to the small screen of mobile and other digital platforms. As an ustwo™ iPheloper (iPhone developer) you'll have a passion for development for a range of digital platforms including mobile, TV and beyond. We at ustwo™ would be pleased to see that you create your own personal projects and like to encourage you to have several creative outlets.

Experience/Skills

Required:

- Training in development (or relevant subject)
- Proven professional experience in development for mobile platforms
- Knowledge and experience of advanced Object Oriented developer
- Experience in working with iPhone development
- Able to work well within limitations
- Able to lead and drive projects and motivate colleagues
- Passion for developing UI and interaction
- Professionalism™ - Professional, Freshness and Passion

Desired:

- Experience with 3D and advanced 2D graphics
- Experience with web services, XML, UML, SVN, Ant and Trac
- Experienced in working with several devices with different characteristics
- Experience in test driven development
- Experience with working with SCRUM and Agile
- Experience of developing UI and interaction

Studio requirements

- Excellent written and verbal communication skills in English
- Passion and self-initiated drive
- Desire to be the best
- You're social and enjoy being part of the team
- You want a job that is more than 9-5

Personal profile

- Very important that you produce neat and well documented code
- Ability to work in a fast-paced environment with a minimum of supervision
- Very precise and detail-oriented person
- Passionate for development
- Task oriented and organized
- Creative

What we offer

- Work with a studio that is at the forefront of digital design over a multitude of platforms
- Be a part of a studio that is varied, and employs a complete range of super talent, so you learn a lot from different experiences
- Be part of a truly innovative studio that's interested in pushing the boundaries of digital design
- A platform for the strongest to shine
- Work in the freshest studio in east London
- Work with cutting edge technology
- A future with a fast growing creative design studio...
